Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Applicant contacted the Supervisory Patent Examiner to inquire as to why the After Final Amendment filed on March 30, 2007 was not entered by the Examiner in light of the Interview on March 30, 2007 which indicated that an agreement was reached and stated a recommendation to amend the claims to recite "only one of". The After Final Amendment adopted the Examiner's rejection. The Supervisory Patent Examiner indicated that in light of the confusion to Applicants, the finality of the Office Action filed on February 22, 2007 will be withdrawn, the Amendment filed on March 30, 2007 will be entered and the Application will be forwarded to the Examiner.
